MARTYRS CLEAN SOLUTIONS

ABOUT MARTYRS CLEAN SOLUTIONS

Martyrs Clean Solutions provides community-based sanitation hubs that integrate affordable eco-toilets with on-site waste processing. The solution converts human and organic waste into eco-fuel briquettes, compost, and reusable water, addressing multiple challenges: limited toilet access, unsafe waste disposal, and unemployment. Designed for informal settlements, the model creates circular value from waste while improving health, restoring dignity, and generating green jobs for youth and women. It is scalable, sustainable, and rooted in community ownership.
