2026 ACCELERATOR IMPACT STORY

Payless Bana Innovations

ABOUT PAYLESS BANA INNOVATIONS

Payless Bana Innovations is a Liberian social enterprise advancing menstrual health and hygiene for adolescent girls and women. It produces affordable, safe, locally made menstrual products, including plant-based disposable pads and reusable options. Through integrated education, advocacy, and community partnerships, the company addresses period poverty, reduces school absenteeism, and empowers girls with the knowledge and confidence to manage their menstrual health with dignity.

PAYLESS BANA INNOVATIONS: 12 MONTH ACCELERATOR JOURNEY

During its 12-month Accelerator journey, Payless Bana Innovations focused on improving its unit economics to maintain product affordability while strengthening its path to profitability.

Malick Wade
Toilet Board Coalition

ACCELERATOR COACH

"Augustine learned to balance its mission with financial sustainability, protecting both its purpose and margins. Their courage, commitment and determination shine through in everything they do."
